

## Focus on Missions

**Mission: Peace With Justice & Prison Awareness**

Peace with Justice Sunday is a faithful expression of shalom in the Bible. It calls the church to strengthen its capacity to advocate publicly in communities and nations throughout the world. The offering is administered by the General Board of Church and Society and benefits peace with justice ministries in the annual conferences and around the world. Half of our gifts stay with local ministries in this conference and half support the work of Church and Society globally.

On Peace with Justice Sunday, we partner with other United Methodist congregations in a special offering to support advocacy around the world. Together we strengthen God's creation with ministries that challenge structures of inequality. We empower people and communities through systemic change in ways that bring true and lasting peace with justice. Please give generously.

**This Week's Prayer:** Pray for the Holy Spirit to move within us to be bold witnesses of Jesus Christ in the world.
