

Focus on Missions

Mission: Camp Greene Hills

Greene Hills Camp has been offering a variety of summer church camp programs for over 50 years. While camps has changed in that time, many aspects of camp and the reasons why we do them haven't changed over the years. Church camp experiences can be powerful, transformative, and foundational for people of all ages and walks of life. There's something about camp that has the power to break down barriers and allows us to connect with each other in a community setting filled with love, grace, and learning from God's Word. Your support during the 2020 and 2021 when camping numbers were down has allowed Camp Greene Hills to plan for an incredible summer of transformation for campers of all ages in 2022. You can learn more about Camp Greene Hills, including their summer camp programs and the availability of camping for your group or family, at <http://www.susumcamps.org/>

This Week's Prayer: Pray for all fathers and those who serve a fatherly function to follow Jesus and be a strong Christian example in the lives of our children, our church, our community, and in our world.
