

## Focus on Mission

### Caring for People in Need

It can be hard to know where to turn when unexpected needs arise. Events like unexpected illnesses, or even deaths, can place a heavy burden on families. One place that we hope that people feel like they can turn to is the church – our church. Requests range from prayer to support, to time, but in many cases a cost is associated with providing assistance when someone within the church lets us know about an urgent situation. Funds donated to the Caring for People in Need Fund are used throughout the year to address unexpected situations where the church can step in by providing money or purchasing materials. As a church, we value the faith that you place in us and in each other when you provide these funds in advance of anyone knowing what needs arise. Having funds available means that the church can respond more quickly to the unexpected than if a separate appeal had to be made every time. We thank you for sharing what God has given.
