

Focus on Mission

Youth/Children Offering

The Youth Service Fund was established by the United Methodist Church to support youth and youth ministries in their endeavors to live and grow as faithful disciples of Jesus Christ. An interesting feature of the national and global administration of projects is that youth decide what projects receive the money and the projects that apply for grants are youth-designed, youth-led and youth benefited. The variety of projects is huge, from a therapeutic fine arts program in Houston to supporting the discipleship of young Christians in Pakistan. Within the conference, the funds are distributed by the Young People's Ministry Council.
