

Focus on Mission

State College Food Bank

When you give to the State College Food Bank, you provide more than hunger relief:

- You make it possible for struggling individuals and families to afford other basic necessities like housing, medicine, and utilities.
- You enable the State College Food Bank to share its resources throughout the county, making it easier for residents in surrounding areas to get help.
- You give neighbors in need access to more fresh, nutritious food in a welcoming dignified atmosphere.

Stay aware of events that benefit the food bank throughout the year by visiting their website: <https://scfoodbank.org/>
