

Focus on Mission

Hope Made Real

Hope Made Real is dedicated to improving the lives of orphaned and abandoned children, and the poor and vulnerable people of Rwanda, Africa. Hundreds of thousands of children who managed to live through the 1994 genocide and its aftermath in Rwanda are struggling for survival in desperately impoverished situation. Due to AIDS, disease, and poverty many younger children have become orphaned or throw away children. The number of vulnerable children in Rwanda is decreasing. They are without help. Most of them live in loneliness, neither loved nor cared for. Many children have been traumatized and the psychological consequences of invisibility and powerlessness is devastating. These circumstances overwhelm them. Most, feeling hopeless about their future, end up wandering and begging in the streets where they are routinely exploited, girls in particular. Hope Made Real believes that all children are precious and are a sign of hope for Rwanda's future. They need the love they deserve before they become blind and deaf by abuse and hardships. Your donation today supports Hope Made Real's mission to care for and educate these vulnerable children of God. Welcome to worship at

our own

relationships we build
with God and each
other and that this
world is not
permanent, but the
love among us is.
