Welcome to worship at

Complacency of faith is antithetical to the teachings of Jesus; as Christians we have become too comfortable in how its always been or how we have always done things. So much so as to forget how Jesus loves and our following his demonstration of love is the measure of our faithfulness to Jesus.

Greeting

Prelude

Centering Words

Exodus 12:11

11 This is how you shall eat it:
your loins girded, your sandals on your feet, and your staff in your hand, and you shall eat it hurriedly. It is the Passover of the Lord.

Opening Prayer

God, the more we know you, the more it is that joy dances in our souls.

So, of

as we open the pages of our family's history, show yourself in its words.

Whisper your love in our ears. Draw us into the embrace of your arms.

Let our hearts beat a little faster, as we hear the sound of your voice so near. Amen.

(Robert D. Ingram)
